A Gospel-Shaped Community

Sermon Series : 1 Corinthians
 Sermon : Eating the Lord's Supper together
 Scripture : 1 Corinthians 11:17-34
 Preacher : Bro. Jerrold Tan

Aim: to be reminded of our union with Christ and each other through the Lord's Supper, hence partaking it in a worthy manner together.

1. The abuse of the Lord's Supper
 - a. The Lord's supper is a tangible and vivid reminder of our past redemption
 - b. The Lord's Supper gives us spiritual nourishment and encouragement for the present.
 - c. The Lord's Supper is a celebration of a future hope.
2. The significance of the Lord's Supper
 - a. Examine ourselves before taking the Lord's Supper
 - b. to be united on the Gospel together
3. The right practice of the Lord's Supper
 - a. Examine ourselves before taking the Lord's Supper
 - b. to be united on the Gospel together

Reflect and Apply

1. What was the cause of the divisions in 1 Corinthians 11:17-34 and how did that affect the church negatively? (*Consider the difference in food supply between the believers*). Do we naturally gravitate towards people who share a similar background than we do? What drives this tendency?
2. What are the 3 elements of the Lord's Supper which encourages us as Christians? (*Consider how v23-26 and how it impacts our past, present and future*). Which of these elements greatly encourages you in your faith? Why?
3. What were the consequences of taking the Lord's Supper in an unworthy manner? (*Consider v27-30*). How should we examine ourselves before taking the Lord's Supper? What are things that we should look out for in our hearts? (*Consider the divisive and unloving attitudes of the Corinthians and their drunkenness*)

4. What did Paul call the Corinthians to do the next time they gathered together to partake the Lord's Supper (*Consider v33-34*). Why was it important for them to come together and wait for each other before eating the Lord's supper? (*Consider 1 Cor 10:17*). How does the Lord Supper encourage us to be united on the Gospel together?
