GUIDELINES FOR INTER-CULTURAL RELATIONSHIPS

1. Beware the mindset that others have to become like us in order to be "good Christians".
2. If we want to connect with those who are different from us, we need to do it through ways that makes sense to them.
3. Before we act, we need to be convinced about God's will. If unity in the church is His will, then nothing should divide us.
4. Knowing what is right is important, but loving our fellow believers enough to inconvenience ourselves is more important.

REFLECTION QUESTIONS

1. Do you believe that good intergenerational relationships in church is important to God?
2. What are some areas that you might need to "inconvenience" yourself in order to build deeper relationships?
