Reflection and Discussion Questions

1. Are we being our brother's keeper? Being humble, loving, and compassionate as Jesus our Master who has the heart for the poor, rejected, and the marginalised?
2. Are we living in greed and making money and material possessions our idols and masters? Or are we living as wise and godly stewards, managing the gift of money from God to show Christ's love to others for His glory, kingdom, and eternal purposes?
3. Is the reality of the great chasm that is between heaven and hell real to us? Is God's righteous judgement, wrath, and eternal anguish for those who reject Jesus' gracious invitation and His teaching real to us? How should we as followers of Christ react to Jesus' words of sober warning?
